1. Advertiser Module

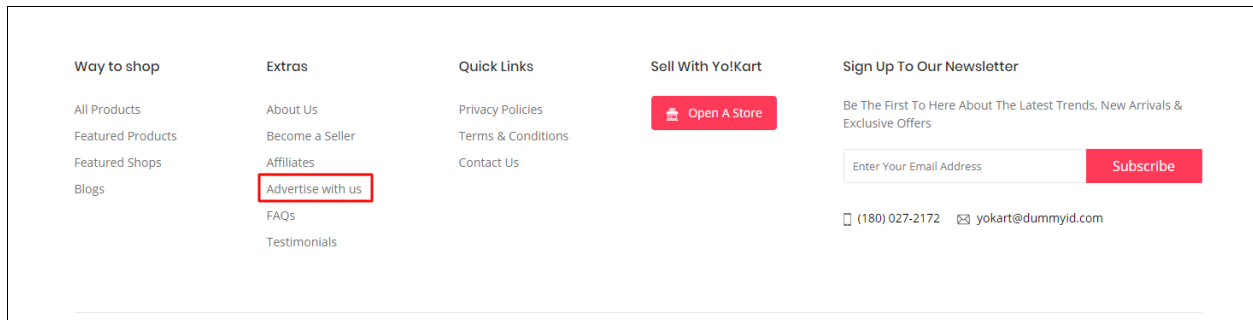

A user can register on the website as an Advertiser user for promotions at the banners sections on the website. However, every seller on the platform will be an advertiser user as well which allows them to advertise their respective shop & products along with the banner sections.

The Basic model of advertising the Banners, Shop and Products is based on the Pay Per Click functionality. Users will pay for the promotions requested to the admin from their wallet virtual credits

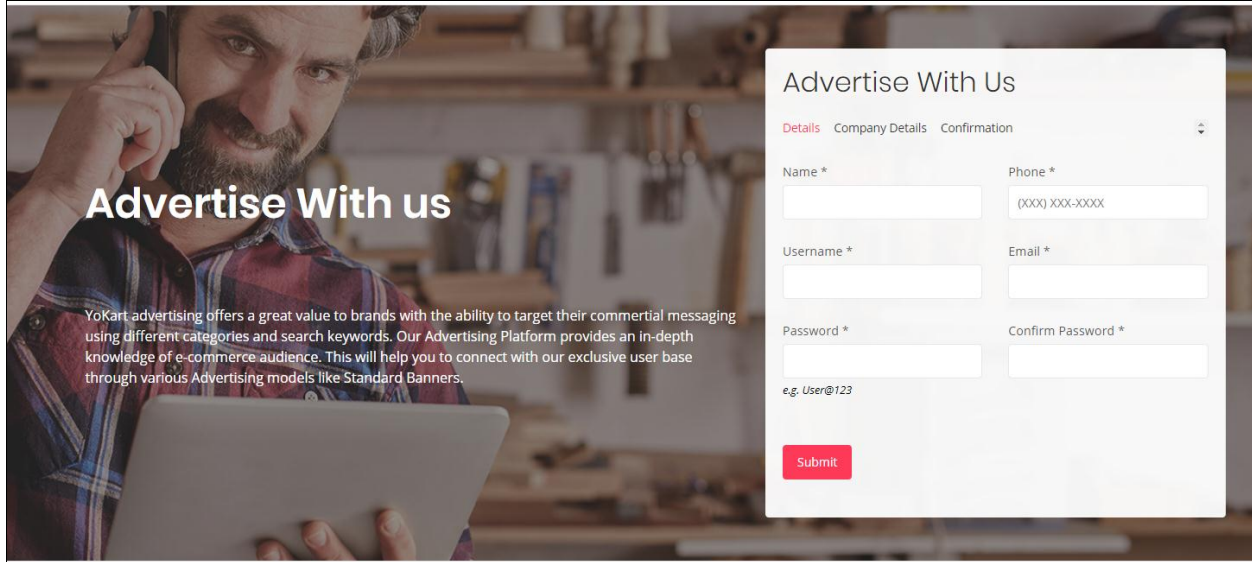

- 1) The promoted slider will be displayed on home page slider.
- 2) Promoted banners will be displayed either on home page or the product detail page
- 3) The promoted products & shops will be displayed on the homepage only.

2. Registration & Login

An Advertiser can find the “Advertise with Us” option at the footer navigation bar which would redirect the user to the Advertiser Landing page.

On the Advertiser Landing page, the user can fill the multi-step sign up form to create a advertiser account in the system.

User needs to fill out the following details to create an advertiser account:

1. Details tab
 - a. Name
 - b. Phone Number
 - c. Username
 - d. Email Address
 - e. Password
 - f. Confirm Password
2. Company Details tab
 - a. Company Name
 - b. Brief Profile
 - c. Products/services you wish to advertise?

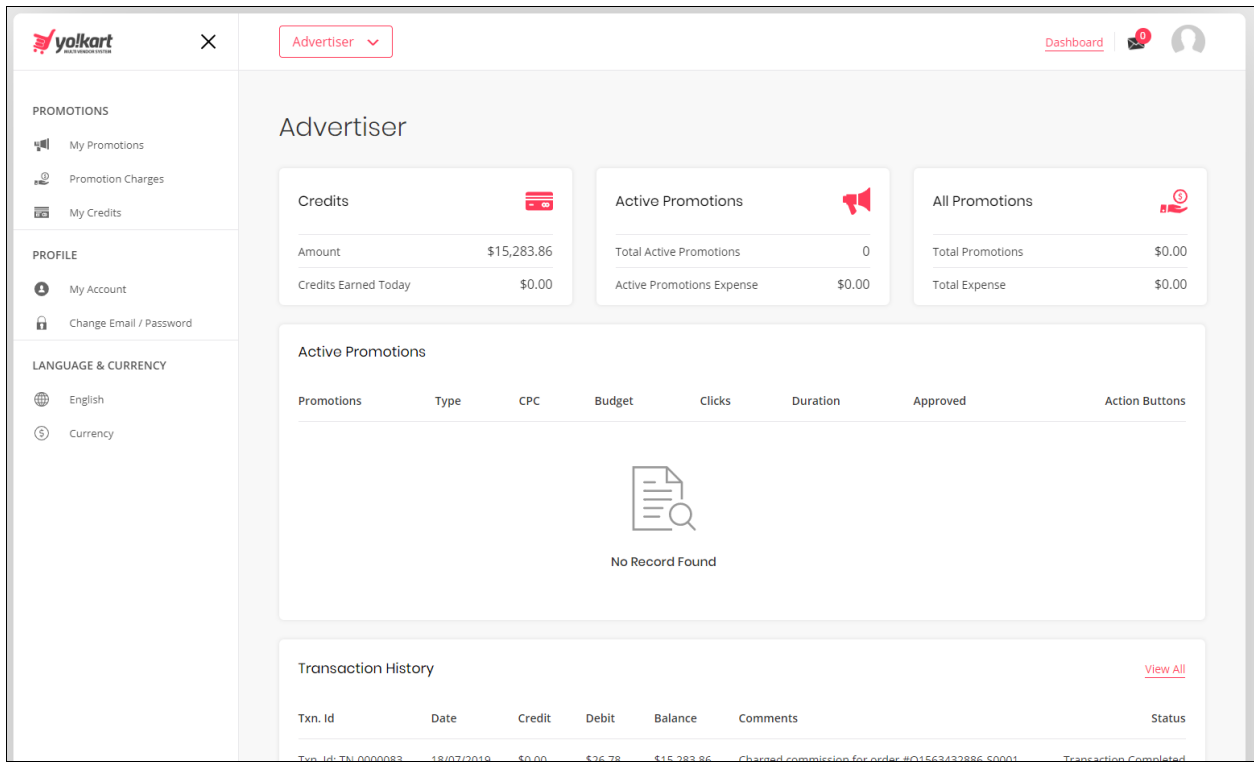

The user will need to verify the registered email address to login to the system. After the email verification step, the user can only then log into the system by using the common login form for all users. This form is available by clicking Sign link from the top navigation.

3. Dashboard

After successful logging in to the system, the advertiser user will be redirected to their Dashboard area where they have the following options

- A. Statistics Area
 - a. Credits - Total credits vs. credits used today for promotions.
 - b. Active Promotions – Total active promotions count vs. Total amount spent on active promotions
 - c. All Promotions – Total promotions count vs. Total promotions amount

- B. Active Promotions – In this section the Advertiser can view a list of latest active promotions (most recent first). The ‘View All’ link will navigate the Advertiser to the ‘My Promotions’ tab. Clicking on the  button will display promotion analytics.
- C. Transaction History - In this section the Advertiser can view a list of latest transaction details (most recent first) for their wallet. The ‘View All’ link will navigate the Advertiser to the ‘My Credits’ tab.

4. Promotions

Advertisers can manage their promotions on the website through this section. Following sections can be accessed under promotions:

1. My Promotions
2. Promotional Charges
3. My Credits

4.1. My Promotions

Under My Promotions, an Advertiser will be able to view a list of promotions that have been previously added. Advertiser can add a new promotion by clicking on the Add Promotion Button.

The screenshot shows the 'yo!kart' dashboard for 'Promotions'. On the left sidebar, there are sections for 'PROMOTIONS' (My Promotions, Promotion Charges, My Credits), 'PROFILE' (My Account, Change Email / Password), and 'LANGUAGE & CURRENCY' (English, Currency). The main area is titled 'Promotions' and includes an 'Advertiser' dropdown, 'Add Promotion', and 'My Promotions' buttons. A search filter section contains a 'Keyword' input, dropdowns for 'All' and 'All Type', and 'Date From' and 'Date To' date pickers. Below the search are 'Search' and 'Clear' buttons. A table with the following columns is shown: Sr. No, Promotion Name, Budget, Duration, Type, Promotion Date, Time, Promotion Status, Approved, Status, and Action Buttons. The table is empty, with a message 'No Records Found' and a magnifying glass icon.

Following sections can be accessed under the My Promotions section on the website.

1. Add New promotions

Individual Advertisers can submit promotions for sliders/banners only on the website which need to be approved by the Admin before. However, Sellers can also access the advertiser section where they can submit promotions for their Shop, Products along with Banner/Sliders on the website.

The screenshot shows the 'Promotions' form in the Yolkart advertiser dashboard. The form is titled 'Promotions' and includes a 'Minimum Balance Required For Promotions : \$20.00' notice. The form is divided into sections: 'PROMOTIONS' (My Promotions, Promotion Charges, My Credits), 'PROFILE' (My Account, Change Email / Password), and 'LANGUAGE & CURRENCY' (English, Currency). The form fields are: Identifier*, Type (Shop), Shop* (Jason's Store), CPC (\$) (1), Budget (\$)*, Duration* (Select), Start Date* (Date From), End Date* (Date To), Promotion Start Time*, Promotion End Time*, and Status (Active). A 'Save Changes' button is located at the bottom of the form.

Upon clicking the 'Add new promotion' button the following form should be available to add a new promotion:

- Identifier – Promotion Identifier
- Type – Shop/Products/Banners/Slider
- Shop – View Shop name
- Product (If Product is selected for promotion) – Advertiser can select their respective product for promotion
- Banner (If Banner is selected for Promotion) – User can select the location for promoting the banner from the provided list. There are 3 locations where the Advertiser can promote the banners

- Homepage after 1st layout
- Homepage after 3rd layout
- Product detail page

NOTE: Wireframe of the respective locations can be viewed

- URL (In case of Banners/Sliders) – Advertiser can submit the URLs to which they want the visitor to be redirected.
- CPC – Cost per click (As set by the Admin from the backend under PPC Management)
- Budget – Advertiser can set their budget for the promotion.
- Duration – Duration of the promotion can be selected as Daily, Weekly or Monthly.
- Start Date – Promotions start date can be selected by the Advertiser.
- End Date – Promotions end date can be selected by the Advertiser.
- Promotion Start Time - Promotions start time can be selected by the Advertiser.
- Promotion End Time - Promotions end time can be selected by the Advertiser.
- Status – Status of the promotion can be selected as Active or In-active.
- Name of the promotion in different languages will be submitted by Advertiser.

2. Search Promotion

Advertisers can search for their promotions under My Promotions by using following parameters

- Keywords
- Type of Promotion – Shop/Product/Banner/Slider
- Date From
- Date To

3. View Promotions

Advertisers can view their promotions which have been submitted previously by them on the website. They can edit or view analytics of the promotions on the website. Analytics will include the impressions (How many times the promotion is viewed) and clicks (How many times the promotion is clicked)

4.2. Promotion Charges

List of amount charged on the promotions will be recorded under this section.

4.3. My Credits

List of all transactions will be displayed under this section. Advertisers can also send a fund withdrawal request to the admin or add money to their account from this section. They can also search for a transaction by using the following search filters:

1. Keyword
2. Transaction type (Credit/Debit/Both)
3. From date & To Date

The screenshot displays the 'My Credits' section of an advertiser's dashboard. At the top, the available balance is shown as \$15,283.86 with a 'Request Withdrawal' button. Below this is a search area for transactions with fields for keyword, date range, and amount to be added. A table lists four transactions with columns for Txn Id, Date, Credit, Debit, Balance, Comments, and Status.

Txn Id	Date	Credit	Debit	Balance	Comments	Status
TN-0000083	18/07/2019	\$0.00	\$26.78	\$15,283.86	Charged commission for order #O1563432886-50001.	Transaction Completed
TN-0000082	18/07/2019	\$510.64	\$0.00	\$15,310.64	Received credits for order #O1563432886-50001.	Transaction Completed
TN-0000062	28/12/2017	\$0.00	\$200.00	\$14,800.00	New Subscription Purchased #O1514467426	Transaction Completed
TN-0000061	28/12/2017	\$15,000.00	\$0.00	\$15,000.00	Payments	Transaction Completed

An Advertiser can add money to the wallet account by clicking on the Add Money into the Account button. The system will redirect the user to the checkout page. Upon completing the payment, credits will be added into the wallet account.

Upon clicking the **Request Withdrawal** button, advertiser will be redirected to the Withdrawal Request page from where the advertiser needs to fill the bank details if not added previously in the “Bank Account” tab under “My Account” section.

The screenshot shows the 'My Credits' section of the yolkart dashboard. On the left, there is a sidebar menu with options like 'My Promotions', 'Promotion Charges', 'My Credits', 'My Account', and 'Change Email / Password'. The main content area is titled 'My Credits' and contains a 'Request Withdrawal' form. The form includes a text input for 'Amount To Be Withdrawn (\$)*', a dropdown for 'Bank Name*', a text input for 'Account Holder Name*', a text input for 'Account Number*', a text input for 'IFSC/Swift Code*', a text area for 'Bank Address', and a text area for 'Other Info Instructions'. A 'Current Wallet Balance \$15,283.86' is displayed above the form. At the bottom of the form, there are two buttons: 'Send Request' and 'Cancel'.

Once the request is submitted, the admin can approve/decline the request. Admin will transfer the money to the bank account offline and update the status of the request. The same status will be reflected in the transaction history section of the page.

5. Profile

An Advertiser can manage the following sections under “Profile” tab

1. My Account
2. Change Email/ Password

5.1. My Account

An Advertiser can manage account information such as profile details, bank account information and return address (in case the Advertiser is seller as well) under this section.

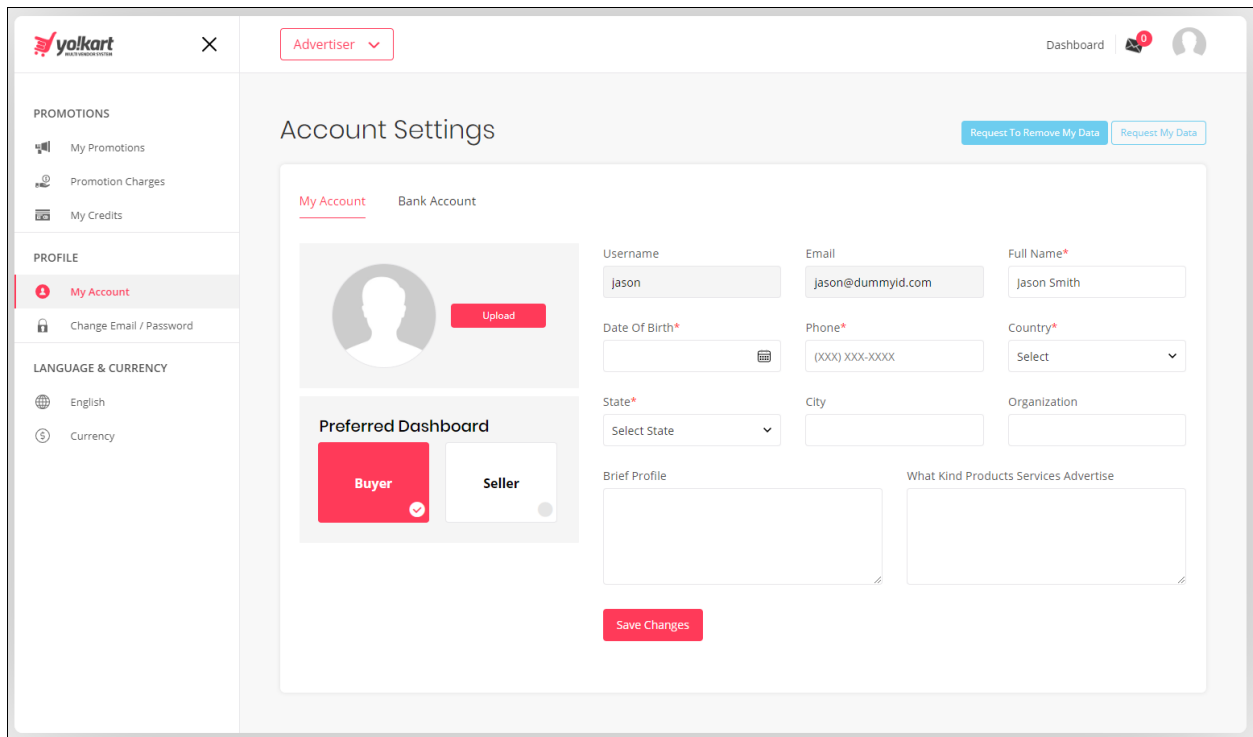

My Account

An Advertiser can edit profile details such as:

1. Customer name
2. Phone no.
3. Country
4. State
5. City
6. Company name
7. Brief Profile
8. Products/services you wish to advertise?

An Advertiser cannot edit their Username as it is a unique field that is used in the database records. If Advertisers want to edit their email address or password then the same can be done from “Change Password” and “Change Email” section mentioned in this document.

An Advertiser can also upload or remove their profile image from this section. Advertiser also has the feature to select the default dashboard to be displayed after login.

Upon clicking the **Request to Remove My Data** button, Advertiser can submit a request to the admin to remove all their account data like orders etc. as per GDPR rule.

Upon clicking the **Request My Data** button, Advertiser can submit a request to the admin to share all their account data as per GDPR policies defined by admin.

Bank Account

An Advertiser can add all bank related information under this tab. Following details can be added under this section:

1. Bank Name
2. Account Holder Name
3. Account Number
4. IFSC Swift Code
5. Bank Address

The screenshot shows the 'Account Settings' page for an advertiser. The left sidebar contains navigation options: PROMOTIONS (My Promotions, Promotion Charges, My Credits), PROFILE (My Account, Change Email / Password), and LANGUAGE & CURRENCY (English, Currency). The main content area is titled 'Account Settings' and includes a 'Bank Account' tab. Below the tab are input fields for 'Bank Name*', 'Account Holder Name*', 'Account Number*', and 'IFSC Swift Code*'. A larger text area is provided for 'Bank Address'. At the bottom, there is a 'Save Changes' button and a security notice: 'Your Bank/card Info Is Safe With Us'.

5.2. Change Email/ Password

An Advertiser can change their email address and password from this section. NOTE: User will need to verify their new email address before changes reflect in the system.

The screenshot shows the 'Change Email / Password' page. The left sidebar is identical to the previous screenshot. The main content area is split into two panels. The 'Change Email' panel on the left has fields for 'New Email*' (with the example 'dilsheen.dhoat@fatbit.in'), 'Confirm New Email*', and 'Current Password*'. The 'Change Password' panel on the right has fields for 'Current Password*', 'New Password*', 'Confirm New Password*', and an example 'e.g. User@123'. Both panels have a 'Save Changes' button at the bottom. A note at the bottom of the 'Change Email' panel states: 'Your email address will not change until the new email address is verified.'

6. Language & Currency

From this section, Advertiser can change the language and currency.
